Limited reopening

At the time of writing the club has been able to open on a limited basis. With the current restrictions we are only allowed to open for members.

There are limitations on the number of people allowed in the club (10 plus club officials). All members must sign in and no one can have travelled more than 25km to the courts. There is also a limitation of two families per court.

All usage of the courts must be supervised by club officials and a record must be kept (for contact tracing) of the people that attend.

The club is opening on Mondays and Wednesdays (weather permitting) from 6pm to 8pm and on Saturday mornings from 9am. If numbers exceed the allowable number, then players will be asked to limit their play to one set and to wait for their turn to play.

Coaching has started again, and anyone interested should contact Ben, our club coach.

Unfortunately, competition tennis has not recommenced. Members, and team captains, will be notified when competition is scheduled to start again.

Membership fees

At the most recent club committee meeting it was agreed to extend existing memberships to June next year (2021). This move reflects the fact that members have not been able to enjoy the benefits of membership for most of this year.

Again, membership has been extended until the end of June next year. If you are a currently paid up member you will not be sent a bill or asked to pay membership until the middle of 2021.

Clubroom Renovations

Despite the limitations to playing tennis the club has not been standing still. Long awaited renovations to the clubrooms have commenced. This will see a new kitchen, bathrooms and a small extension to the existing clubrooms and will make a big improvement to the facilities available to our members. Some photos of progress are included; work is expected to finish in February next year.

**** ** Club AGM ** ****

This year the AGM will need to be held online details will be posted on the website and a link will be emailed to all members.

29 November – 3pm
