Return to Tennis

As Hume Council provides new guidelines the Craigieburn Tennis club is opening on a limited basis.

The current regulations require the club to keep a record of all people who use the club. This means the club can only be opened when Committee members are available to supervise. Currently we are opening the club for social tennis on Monday and Wednesday nights between 7pm and 9pm. All members are invited to attend. Junior practice is scheduled for Saturday mornings between 10 am and 12pm. Coaching is organised and supervised by the club coach, Ben, and has been taking place for the last couple of weeks.

All members of the committee are volunteers and all work full-time, hence it is not possible to extend these times with the current requirements for recording attendance. If it becomes possible to open the club more frequently this will be done.

AGM: It is likely that the AGM of the club will be delayed. Please keep an eye on the website for details.

Club Keys

The requirements for the club to keep a record of attendance, along with the requirement to maintain the security of the club has meant that it has been timely to change the locks at the club.

Keys, for those members that have purchased keys, will be replaced, and re-issued once the club can go back to normal operations. Members will be advised of times to have their key replaced via email and notices at the club, on the website and via this newsletter. We are not able to give much of an indication of the timeframe for this until further advice is received from the Council and the Government.

Competition Tennis

All competitions, senior and junior, have been cancelled for the current seasons.

With less than half the seasons played during these seasons and the NSNTA and NSJTA have cancelled the current seasons. It is hoped that the Spring season will start on time. Teams will be submitted with the hope that the season will start on time.

The resumption of competition relies on advice from the Government and it is expected that reviews will be undertaken to provide more certainty on the 22nd of June.

Watch the Website

Updates regarding the current situation, activities of the committee and general news about the club will be posted on the club website on a regular basis. Please take the time to check the website for news and updates. www.craigieburntc.org.au

Links to the clubs email addresses are available on the website.

info@craigieburntc.org.au

Secretary@craigieburntc.org.au

and President@craigieburntc.org.au are the email address that members should use to contact the club. These addresses are monitored, and responses are provided at the earliest possible times.

Reminder: Please update your details by emailing the secretary with email addresses and phone numbers of yourself, and the members of your team. We cannot keep in touch if we do not have contact details.
