

President Report 2020

Adam Campbell

An unprecedented year, this year has been challenging in more ways than one.

The Club has endured many issues and has overall has survived the Pandemic.

Since taking on this position, I have to thank many people who have supported me, Andrew Brown (Secretary), Kate Davies (Treasurer), David Reush (Vice President), Diana Lakopo (Committee), Nenad Kuzmar (Committee), Natasha Campbell (Committee) and my Family. They have made my job easier so we can achieve more.

I wish to thank the members, hall hirers and all associated with the club for their patience during this pandemic. We have sacrificed our normal way of life with the club and I think the club will end up better in the future.

The redevelopment of club goes ahead and as the builders hopes all will be finished by Christmas which will have the club start the year with a new kitchen, meeting room, store and toilets(Including new disable toilet).

The planning of the book a court system still in progress which will enable greater access to the courts and another income for hire of our courts.

The Committee have continue to make progress in the operation of the Club to be simpler and cheaper to enable our future.

Last I would like to thank the Hume Council who have consulted and listened to us through club redevelopment (Paul Lenne) and continued maintenance, operation of the club (Lauren Swallow). They have gone out of their way to help me and the club.

I hope that you the members have been able to see improvements to the club and been able to have your say to me and the committee. I hope we have listened and discussed with you all suggestions. My goal is to make the club better and for all the members a better experience.

Thank You
